MNSure Offers Enrollment Opportunity for Minnesotans Newly Eligible for Financial Help Due to Decrease in Income

May 12, 2020

FOR IMMEDIATE RELEASE

ST. PAUL, Minn.—Starting May 11, 2020, MNSure is offering an ongoing special enrollment period for Minnesotans who experience a decrease in household income and become newly eligible for advanced premium tax credits (APTC). Those looking to enroll will need to have had health insurance that meets the standards in the Affordable Care Act, also known as [minimum essential coverage \(MEC\)](#) ([/new-customers/apply/prepare/mec.jsp](#)), for one or more days in the 60 days immediately preceding their decrease in household income.

Minnesotans must act within 60 days after they experience a decrease in household income to be eligible.

“If you were enrolled in a health insurance plan outside of MNSure and your income has decreased, you may be eligible to enroll in a plan through MNSure and qualify for tax credits to help cover the cost of your health insurance,” said MNSure CEO Nate Clark. “Don’t delay if you’re in that situation. Give us a call, or visit [MNSure.org](#) today to see if you qualify for this enrollment opportunity.”

Eligible Minnesotans will need to verify both the date of the decrease in their household income, and that they had minimum essential coverage for at least one day during the 60 days prior to their decrease in income before being able to select a plan. Coverage start dates are based on the plan selection date.

Specific information regarding [who qualifies, plans available and verifications](#) ([/new-customers/enrollment-deadlines/special-enrollment/sep-le/off-plan/index.jsp](#)) can be found on [MNSure.org](#).

Who else can enroll now?

Minnesotans who have recently lost or will lose insurance through their employer (</new-customers/enrollment-deadlines/special-enrollment/sep-le/lost-coverage/index.jsp>) may also qualify for a special enrollment period to enroll in a plan through MNSure. To enroll, individuals must contact MNSure and pick a plan within 60 days of losing employer coverage. To avoid a gap in coverage, Minnesotans can contact MNSure up to 60 days in advance of their employer's plan ending to begin the enrollment process. This special enrollment period (</new-customers/enrollment-deadlines/special-enrollment/about-sep/index.jsp>) is available year-round to qualifying individuals.

Minnesotans who experience another qualifying life event (</new-customers/enrollment-deadlines/special-enrollment/sep-le/index.jsp>) (such as marriage, birth or adoption of a child, or a move) may also be eligible to shop for coverage.

Finally, low- or no-cost coverage is available through Medical Assistance and MinnesotaCare (</shop-compare/financial-help/ma-mncare/index.jsp>) for those who qualify. Enrollment in these programs is open year-round and provides comprehensive coverage. Members of a federally recognized American Indian tribe (</new-customers/who-can-enroll/american-indians/index.jsp>) can also sign up at any time year-round on MNSure.org.

Help is available:

- MNSure has a statewide network of expert assisters (</help/find-assister/index.jsp>) who can help Minnesotans apply and enroll over the phone, free of charge.
